

A Song for Grandma and Grandpa (Christmas Version)

Chorus:

Oh Grandma, Grandpa, you know that I love you
You make Christmas so much fun with everything you do
A Christmas parade, a concert at school
Oh Grandma, Grandpa, I love you

Verse One:

Going to see Santa, helping trim the tree
Singing Christmas carols, making memories
Grandma's Christmas cookies, a blessing from above
Grandpa's Christmas stories are always filled with love

Chorus:

Oh Grandma, Grandpa, you know that I love you
You make Christmas so much fun with everything you do
A magical time when dreams all come true
Oh Grandma, Grandpa, I love you

Verse Two:

Going Christmas shopping, watching Christmas shows
Lots of hugs and kisses, faces all aglow
Thank you, Grandma, Grandpa for happy holidays
Saying that you love me in so many ways

Chorus:

Oh Grandma, Grandpa, you know that I love you
You make Christmas so much fun with everything you do
And your gift of love will last all year through
Oh Grandma, Grandpa, I love you

Merry Christmas, Grandma and Grandpa
