Eddie's Girls – A Tribute to Eddie Blazonczyk

Chorus:

I'll sing you a song 'bout my Pretty MaryAnn and my girl Angeline
How My MaryLou went away and left me blue, She still lives in my mind
I want all their love, every kiss and every hug, Oh what's a guy to do
Girls, Girls, Girls, I love 'em all, MaryAnn, Angeline, MaryLou

Verse One:

MaryAnn, Angeline, and MaryLou, three pretty girls that everybody knew
And they bring back so many memories, forever in my heart they'll always be

Chorus:

Verse Two:

MaryAnn is so pretty and so sweet, I know my life with her would be complete
I even bought a golden wedding band, I really want to be her lovin' man

Chorus:

Verse Three:

Angeline is my angel from above, her hugs and kisses fill my life with love
She'll always be the sunshine in my life, I really want to make that girl my wife

Chorus:

Verse Four:

MaryLou is the girl that left me blue, but she'll be back one day, I know it's true
Together we will make our wedding plans, I really want to be her lovin' man

Chorus:
