He is Christ, the King

Chorus:
He can touch your heart and fix the broken part
He can heal your soul and make your spirit whole
He can calm your mind with love so warm and kind
He does awesome things, ’cause He is Christ, the King

Verse One:
He made the world that we all see, the birds, the flowers, and the trees
A sun that always shines so bright and stars that sparkle in the night
And He took all my sins away the moment I knelt down to pray
And He listens to ev’ry prayer, His love is always there

Verse Two:
The Bible tells us many things, the miracles of Christ the King
The blind can see, the lame can walk, the deaf can hear, the mute can talk
Eternal life if you believe and heaven’s glory you will see
The word of God is always true, He gave His life for you

Bridge:
He changed my life and made me new, and He can do the same for you
And when your spirit feels alone, His love will guide you home
