Johnny Prill is delighted to announce the release of his latest single, “The Miracle of Juan Diego's Cloak.” The uplifting song tells the inspiring story of the apparition of Our Lady of Guadalupe to St. Juan Diego in Mexico City. The song is a testament to the enduring faith and devotion of St. Juan Diego, who was visited by the Virgin Mary in 1531 and was tasked with delivering her message to the bishop.

Prill, who has a passion for creating music that inspires and uplifts, was moved by the story of Our Lady of Guadalupe and felt compelled to share it with the world through his music.
